JSTOR is a digital library of academic journals, books, and primary source objects. JSTOR helps people discover, use, and build upon a wide range of content through a powerful research and teaching platform, and preserves this content for future generations. JSTOR is part of ITHAKA, a not-for-profit organization that also includes Ithaka S+R and Portico. For more information about JSTOR, please contact [support@jstor.org](mailto:support@jstor.org).

**RULE 3.** No privy, cesspool, or vault shall be opened in any manner or at any time other than at such time and in such manner as the board of health may direct; and no person shall remove or carry through any public street, highway, or square of the city, contents of any privy or vault, unless the person removing same, and the cart, wagon, or other conveyance in which the same is carried, shall be licensed for such person by the board of health. All such vaults shall be thoroughly cleaned out and the contents thereof removed once each year, and oftener if the board of health so directs.

**RULE 4.** No drain not water-tight which carries or contains sewage shall be allowed to pass within 20 feet of any well or other source of water used for domestic purposes, and no person shall allow any pool of stagnant water to be and remain upon his premises after notice to remove the same by the board of health. Sewage shall be construed to mean liquid waste from whatever source, which contains offensive or injurious matter.

**RULE 5.** No person shall permit the drainage of any building to enter any pond or stream within the limits of the city of North Adams, the water of which is used for domestic purposes.

**Premises—Sanitary Maintenance of. (Reg. Bd. of H., May 28, 1912.)**

**RULE 6.** No dwelling or any part thereto within the city shall be used for the sale, storage, sorting, or handling of rags without a written permit from the board of health.

**RULE 7.** No putrid, decayed or decaying animal, or vegetable matter shall be allowed to remain in cellars or outbuildings. No fish, slaughterhouse offal, or other decaying and offensive animal or vegetable matter shall be left or permitted to remain upon the land for purposes of fertilization without being plowed in or otherwise being rendered inoffensive.

**RULE 8.** Every owner or occupant of every building in this city shall keep such building and the yard belonging thereto free from all filth and substances liable to produce offensive odors.

**RULE 9.** No owner or occupant of land abutting upon a private passageway, or having the right to use such passageway, shall suffer any filth or waste or stagnant water to remain on such passageway.

**RULE 10.** The owner or lessee of any building within the limits of the city shall, when, in the opinion of the board of health or its duly authorized agent, it is deemed necessary, whitewash, paint, or otherwise clean and make wholesome the walls, ceiling, and passageways of the buildings.

**Garbage and Refuse—Care and Disposal of. (Reg. Bd. of H., May 28, 1912.)**

**RULE 11.** Every house shall be provided by its owners or occupant with a suitable water-tight covered receptacle to keep garbage and swill until the same is removed by the licensed scavengers. This receptacle shall be kept covered at all times except when depositing or removing the garbage. It shall be kept where it shall be convenient of access upon the ground floor.

No person shall deposit in the garbage, to be taken by the authorized scavengers any tin cans, water (dishwater not excepted), ashes, glass, sweepings, oyster and clam shells, sawdust, corkdust, old boots or shoes, dead animals, lawn clippings, nor any poisonous substances. Any garbage containing foreign matter of the kind enumerated above must be cared for by the owners at their expense.

No person shall go about, in or through the streets, squares or highways of the city, collecting or removing swill, offal, butchers' waste, soap grease, rough tallow or slaughterhouse refuse, unless duly authorized and licensed by the board of health.

All such refuse collected and carried through the streets, squares and all highways as before provided shall be put and carried in a close covered vehicle, box or other tight vessel, from which no odors can escape and which shall at all times when not neces-

sarily opened for the purpose of depositing the material collected therein, be kept securely covered. If any of the contents thereof shall be spilled or fall upon any street, walk or premises, it shall be the duty of the keeper or driver to replace the same and immediately remove all traces thereof.

**Spitting—Prohibited in Public Places. (Reg. Bd. of H., May 28, 1912.)**

RULE 12. Spitting on the floor, platform, or any part of any street car or other public conveyance is prohibited.

Spitting upon the floor or other part of any room, hallway, entrance or lobby to any church, theatre or public hall is prohibited.

Spitting upon the sidewalk of any street, court, or passageway is prohibited.

**Stables, Maintenance of—Manure, Disposal of. (Reg. Bd. of H., May 28, 1912.)**

RULE 13. The conditions governing the granting of licenses to occupy buildings as livery or boarding stables shall be as follows:

The stable must be erected and complete in all its compartments before license to occupy is granted.

A manure pit shall be constructed of brick or stone, laid in cement, and water-tight.

Such pit shall be ventilated by a shaft not less than 12 inches square, carried 2 feet above the roof of the main building.

The storage of manure, except in said pit, is prohibited. No bedding shall be deposited outside of the stables.

The drainage of every stable shall be properly conducted to a public sewer whenever practicable.

In every case ventilation and drainage shall be made satisfactory to the board of health.

The said building shall neither be enlarged or altered without special permit having first been obtained from the board of health.

RULE 14. Owners and occupants of livery and other stables within the city shall not wash or clean their carriages or horses or cause them to be washed or cleaned in the streets or public ways. They shall keep their stables and yards clean, and not allow large quantities of manure to accumulate in or near the same at any time.

RULE 15. Every barn within the city limits wherein a milch cow is kept shall contain at least 1,000 cubic feet of space and shall be ventilated, lighted, and cleaned to the satisfaction of the board of health.

RULE 16. No person shall go about, in or through any of the streets of the city collecting manure or removing ashes, paper, or other refuse, except in a vehicle with a tight box, and said vehicle covered so that the contents can not be scattered on the streets.

The deposit by any person of any stable manure, night soil, or other fertilizer of like nature on the surface of his lawn or yard within the city of North Adams, where the same is liable to become spread or scattered upon any street or sidewalk, or is offensive to the sight or smell of persons traveling upon such street or sidewalk, is a nuisance, and the same is hereby prohibited.

**Domestic Animals, Keeping of—Diseased Animals—Meat. (Reg. Bd. of H., May 28, 1912.)**

RULE 17. No person shall keep any fowl or animal in any part of a dwelling house, or in any place in the city where the board of health may deem such keeping detrimental to the health of the residents of the neighborhood or to those that may pass thereby. All henneries and animal pens shall be kept clean and free from decaying food and from filth of any kind; and shall be thoroughly disinfected from time to time as occasion requires.
